“ *Joshua,*

My heart is broken and only God knows why you left us so soon....but not one day will go by that I won't think about you and grieve your death. I don't know if I have the strength to go on without you in all of our lives but I will do my best - as I know the only way is through our God. It still seems like a bad nightmare. I promise I will continue to love your sweet little family and keep them close - I find comfort in knowing I will see you again one day. I love you with my all my heart. Aunt Teresa C. Vanderlip
