“ I have known Juanita since I was 6 years old! She was my Sunday school teacher! She brought me & my mother home from church one day & she saw my brother Gene! It was love at first site! After they started to date they were together all the time! They loved each other so much! Our whole family was always together! We didn't have a lot of money but we had love! We all went on vacations together to Atlanta, Myrtle Beach & to the mountains. Our favorite thing to was to go see Davidson College play basketball! We use to go to all the games when I was growing up with Juanita, Gene & my brother Don & my other sister-in-law Margaret! Juanita, Margaret & I would make banners to take to the games! We always had Christmas & Christmas Eve at Juanita & Gene's house! We are a family that loves to eat & we always found something to celebrate! There was cookouts, birthdays, weddings & anniversaries & even death! Family was everything for Juanita & Gene also for there children, grandchildren & great grandchildren! Also for me & my husband Danny & our family! Gene was like my father & Juanita was not only my sister-in-law but was also like a second mother that told me what to do! Most of all she was my best & oldest friend! Danny & I took her on a trip to the mountains to see her grandson Rush race & she loved it! She said the mountains were beautiful & she was the happiest that I had seen her since Gene had died! She smiled & said Gene use to take me on trips to the mountains! She laughed & talked & we had a good time! I know that she is in heaven with the person she loved the most her wonderful husband Gene! I know she didn't want to leave her children, grandchildren & great grandchildren & family that she loves but she has missed Gene so much! She is truly happy now! We will all miss Juanita but we have to let her go knowing that she is happy & she will always be with us! She is now a Angel in heaven with Gene & the rest of our family of Angels! She will be watching over all of us along with the rest of our Angels! Juanita thank you for all you did for me growing up & loving me & our family! Goodbye my sweet sister until we see each other again in heaven! Love you for always! Sissy
