“ *What can I say about my Aunt Kate? She was my favorite Aunt and still is. Don't get me wrong, I love my other ones just as much. She was a second Mom to me and Ken and I will miss her very much. Now she is reunited with her son, her brothers and in the hands of the Lord. May God give strength to her daughter, her granddaughter, grandson, and all their families to go on. Bless all her brothers and sisters whom she loved very much. Kate was not a selfish woman, and helped anyone who came in contact with her if she could. She has been a great influence in my life with her words and wisdom. She will be missed very much by everyone. I will miss all the talks we used to have and her not answering the phone when I call my mother's house, and will miss her smiling face when I go to visit. She is a woman who was and is loved by everyone she came in contact with. She was a fighter and a trooper and never gave up on anything. Kate rest in peace. Your memory will always be in our hearts and in our minds. We love and miss you Aunt Kate. Our thoughts and prayers are with the whole family. May God wrap His loving arms around all our family and give us the peace, love, and strength that we all need. You are a great woman and we will miss you dearly. We will never forget and your memories will be with us forever. We love you.*

*Love to all,
