“ *Glenda, Gary & family. I was so sorry to learn of your mom's passing. She was an incredible woman & dear friend of my mom who always looked forward to their yearly laughs. I think that is what I remember most about her is her infectious laugh and tremendous smile. I remember as a child being at her home & her little dog & the antics which went on. Or visiting Charlotte with a friend of mine & being lost & she talked us out of a traffic jam. She was always there, if not in person then in spirit. May her gracious soul be at peace and you find solace in the grand memories you hold dear of her. Love you Katie, you will be missed. ♡ Nikki Kellogg, Pittsfield, Ma*

“ Gary, Glenda and all the family:
May your faith, inner strength, and the power of God's love carry you through this time of sorrow. I will miss my cousin Katie and our frequent telephone calls whereby many of our conversations were lengthy and sometimes short. Most were filled with laughter talking about things of the past. Our conversations always ended with "I love you". Now she sleeps in peace in the loving arms of our Lord and Savior.

Several years ago, Katie's sister, Magdalene and I went to Massachusetts to pursue work for the summer. Magdalene stayed with one sister and I stayed with Katie. I will forever be grateful to her for her warm hospitality. Rest in peace Katie. My sincere condolences to the rest of the family.
