

Kelley Lee Donaldson

November 6, 1958 - December 30, 2019

Kelley Lee Donaldson, 61, a lifelong resident of Charlotte, NC, died Monday, December 30, 2019, at the Levine and Dickson Hospice at Aldersgate. Kelley was born on November 6, 1958, the daughter of Marvin and Cecillia Gardner Donaldson. She grew up in North Charlotte. She worked at Park N Shop as a Grocery Manager and at Food Lion as a Dairy Department Manager. When not working, she loved to be outside in the sun. Her flower garden was always blooming. When not outside, she enjoyed watching horror movies, puzzles and trying her hand at sewing. Kelley was also gifted with the use of words and had some of her poetry published. Growing up, she attended Highland Elementary School and later returned when her children attended there as a volunteer. Most of all, she loved the time spent with her family and was especially proud of the commitment of her two sons and grandson in the United States Armed Forces. Kelley's contributions, especially her time spent cataloging the books under a new barcode scanning system will be fondly remembered as part of her legacy of giving back to her community.

Kelley is survived by her children, all of Charlotte: Autumn "Nickie" (husband Phil) Harris; USN Chief Petty Officer Scott (wife Laura) Steadham; and USN Petty Officer First Class David Steadham; and two brothers: Eddie (wife Louisa) Donaldson and Jason Donaldson. She is further survived by five grandchildren: USAF Airman First Class Andrew Harris, Matthew, Sophia, Liam Scott and Elijah David; as well as numerous other relatives and friends.

“ I am so shocked and sadden to see this about Kelley. We grew up in the same neighborhood and I lived next door to Marvin and Cecelia for many years. I connected again with Kelley through FB and enjoyed remembering happenings in the old neighborhood. My thoughts and prayers go out to all of her family and friends. She was so proud of all of her children and grandchildren and would send me messages often about their service to the country and how they were doing. Prayers for all of you during this time.
