“ I am so very sorry to hear about Leigh, I asked about her this past SAT night at Hawthornes, and was told she had passed, did not know, My deepest sympathies go out to the family, she was a special person, kind, caring, intelligent, and while our relationship was basically at the restaurant, where she called me Coach Kelly, we both lived in and around Doraville/Chamblee Ga, so we naturally had a built in buddy type relationship, and I enjoyed talking with her each time I came in and she was working and had a few moments, she made Hawthorne's a better place to visit, can tell you that right now,,RIP honey,, you will be sorely missed by many...
