

Lillie Mae Inman-Hart

February 22, 1941 - September 2, 2023

Mrs. Lillie Mae Hart, 82, of Charlotte, was taken to be with The Lord on Saturday, September 2, 2023, at her residence where she died in a horrific fire which stole her life too soon.

Lillie was born in Union, SC, on February 22, 1941, to parents Charles and Rosa Lee Mize where she resided until she moved to Charlotte as an adult. She, a single mother of four children, which she loved and raised alone working two to three jobs to provide and maintain a home for her family while friends and family suggested her to give her children a wealthier home with two parents. She, against the advice of her loved ones, fought for her children and clarified she would never give away her children. She began working in bars, a mop factory and a machine company simultaneously to provide the life her family said she would not be able to give her children and is now only survived by one of the four children, her son Clyde Fredrick "Freddie" Inman who began caring for her and her husband Donald Eugene Hart, who she married in the fall of 1999 and whom she loved until the day she passed.

She leaves behind only four next of kin, her sister Pansy Lanier, her son Freddie, her husband Donald, and her grandson Clint Temple although many people called her "Mama-Mimi" who she welcomed as family and are greatly affected by her passing.

She is missed and forever in our hearts and will never be forgotten by all the lives she has touched even if it was spitfire attitude type of day for her or she was a stressing over her son Freddie. Until her last days she was a strong fighter and a lover. Rest in peace.

A celebration of life and graveside service will be on Wednesday October 4, 2023 at 11 am at Charlotte Memorial Gardens.
