“ I remember Aunt Lonnie coming over to Gmaws every week in her little red car! We would go out to eat breakfast at Shoney's. For many years we all met for supper at PJ's until they closed. But we all know how much we like to eat so.....we found another meeting place...South 21! Aunt Lonnie lost her eye sight and so we stopped meeting together. I miss our time together and seeing her sweet face every week! She was truly one of a kind! Her and Gmaw were not only sisters but best friends for 90 years! Wow!! There wasn't a day they went without talking to each other. I know she will miss her terribly! Looking forward to the day we can see each other again in heaven! Love you Aunt Lonnie!❤️

Growing up with this lady has given me so many one of a kind memories that I will never forget. Grandma beck was pretty much my second mom and I'm so glad I got to get the chance to live with this beautiful gem for so many years. We love and miss you very much forever and always <3*

*“ I used to look forward to Aunt Lonnie coming over to Gmaws every week in her little red car to go to Shoney's for breakfast. For years we went out to supper as a family to PJ's until they closed. But we all know how much we like to eat so.....we found another meeting place at good ole South 21! We did this up until Aunt Lonnie lost her eye sight which was a sad time in her life. I miss those weekly suppers together so much! Her and Gmaw were so close and enjoyed their time together. I know she will miss her dearly! They were not only sisters but best friends for 90 years! Wow!! Aunt Lonnie was truly one of a kind and always had a kind spirit.. I will miss her but look forward to seeing her again in heaven! Thanks for wonderful memories Aunt Lonnie that I will carry in my heart and mind forever! Love you so much!❤️*
