“ *Aunt Mary, I love you. I know you are home with our Heavenly Father and Brother basking in their love and embrace. You were patient and kind, firm yet loving. I thank you for teaching me to crochet, of which i am passing on to my sons It was and is a memory of us that I cherish. It has been so long that I have been able to hug or hold you, but one day I will in heaven. Aunt Mary I love you, I so badly wanted you to meet you great nephews, but you will one day. Say hello to my dad, tell him I love him and miss him, and say hello to aunt Georgia, Uncle James and Uncle Kenneth. I miss you greatly, thank you for being who you are. I love you, we love you <3*

“ Aunt Mary, I miss you so much. My heart is filled only with love for you. I only wished I could have made it out there to spend time with you and the family, my heart aches because I wasn't able to make it. I always enjoyed our talks on the phone, only wished I would have called you more. You have touched so many lives with your generous heart, kind eyes and smile.....Although I know you are not suffering and are with your husband and siblings, you are truly going to be missed here on this earth. I know our time here on earth is short, we will find comfort knowing we will all be together again. I love you so much and you will always be with me.
