“ *MaryLynn was like a mom to me when I was in high school. She taught me about fashion and makeup but most importantly she listened, she forgave and she loved. “ *The first time I met you in Vero Beach! The times we laughed and cried together! (mostly laughed until we cried). Reconnecting with you after so many years and catching up like we had never been away! Your trips here, Il Divo! Sitting on the back deck just talking! Promising nothing would ever come between us again!! Your telephone calls in the morning to share a cup of "cwafee" and dish! I will miss you so my friend! Love you always xoxoxox*

So very sorry for the loss of your wife/mother...She was a wonderful person who was truly devoted to her family...I remember when the kids were young and how everything she did was for them and her adoring husband...Rich I know you worshiped the ground she walked on, as she did you...I am so glad she got to enjoy and get to know her grandchildren...She was much loved and will definitely be missed by all who had the privilege/ pleasure of knowing her... Treasure the many memories and traditions that she has left for you to continue on with your own lives and know that she will always be with you...God Bless!!!
