“ *Jimmie, I am so sorry for the loss of your mother. She was always so kind to me, like she sensed I needed it. And I did. I know you and Norma were good friends, but I remember watching tarzan with you on Sunday afternoons and other memories of playing the Barbie Board game. Your mother had the most beautiful flowers in the neighborhood and she altered one of your evening gowns for me to wear to the ROTC Ball in 10th grade. She is with your Dad now and everything is perfect for her. You were lucky to have your parents for as long as you did. I lost my mom in 95, which your mother came to her viewing, and lost Daddy in 99. It is very hard losing a loved one but look at all the beautiful memories! It will get better with time, but you will think of them every day because they are in your heart. Congrats on your family and grandchildren! Your friend always, Jan Brewer Berger*
