“ *My dear friend whom I have not seen in many many many years. I will always cherish our friendship and all of the fun we had together running around, skating, staying over at your parent's house, riding around in the blue El Camino and listing to you sing "Rock It 2U". What great memories. RIP Michael Todd Carelock aka The Wonderful Michael T.*

“ *Many memories of cat fishing from Richardson Creek to Lake Wateree with Michael. Always had to be in your spot when they were biting. Despite his struggles in life, he always tried to help with anything he could. Will be missed. Rest in Peace Michael.....*
