“ Mike was a good man. He loved his family beyond all else. He was always there when I needed a shoulder or when I needed to vent from the caregiving trauma with Mom and Dad. May you rest in peace knowing you have set a high bar for being a father and husband.

“ I first met Michael when I started work with the company and we had our lunch bunch meetings on most Fridays. He was always so quick witted and clever. Never a dull moment when you were in the presence of this man. The family is so kind and always invited me to special Holidays when I had no place to go. He always welcomed me with open arms. I know the Lord opened his arms to Mike as he joined the Higher Realm. Now he will be our source of inspiration down here on Earth, especially when it comes to making cards for people as he like to do. Peace be with you Michael, we love you so much!

“ I always knew no matter what happened that I could call Dad and he would be there. He never talked me out of something I wanted to do, even if he knew it was a mistake. My kids and I will miss him very much.
