“ I'm so sorry to hear about Aunt Skeeter's passing. I have so many precious memories of spending time with her and the family at the beach and camping trips I will hold these memories close to my heart. It's really a sad day because she was the only surviving aunt we had left out of 11 aunts and uncles. I thank God every day for being born into a Godly family that showed unconditional love. Charlis , Roger and the family I will be praying for each one of you. Much love! Susan Petty Fowler

“ *Gi was a wonderful lady. Full of southern charm and could fill your heart with joy from her warm smile, kind eyes and let's not forget her homeade wonderful desserts. She was very kind to me and my children when they were young. I remember how thoughtful and kind she was when I would visit her sometimes. She did her best to understand her life and children as she aged. The last years of her life were not kind to he with her disease. Her perserverce was tremendous and I applaud her loving family as they cared for her. She will never be forgotten and my heart has saved a very special place for. We will all meet again as we journey towards eternity. Prayers and hugs to all of her family. Love, Denise*

“ *Only met her a handful of times, but ill always remember her fervent love of all animals, whether in person with Ardu, or in pictures. Every time i saw her she would squeeze my hand, smiling, and say "youre so perdy" in her beautiful southern way...*
