“ *To the Wilson family...I am sorry for your loss. I don't know your family personally but I want to express my sincere condolences. It is difficult dealing with losing someone you love but almighty God will help you to cope. We are invited to throw our burden upon God and he will sustain us...he will never allow the righteous to fall. (Psalm 55:22) So pray to God and he will help you to cope. One of my favorite scriptures is found at Revelation 21:4 where God promises a world when death, sickness, sorrow and pain will be done away with. I hope you find solace in these scriptures.*
