“ *Never have I met someone whose light shined as brightly as Natalie's. She imprinted herself on the hearts of everyone she met, and warmed your soul with her smile. Her passion for children has always struck me, and I loved watching her with our kids and Sophie. The world will never be the same without Natalie, but I know she lives on through her family that she loved so much. We love you guys so very much.*

“ Natalie and my daughter Katelyn were very close during their middle school and high school years. Natalie was a very sweet, caring and beautiful girl. She spoke so highly of her family and the bond she shared with her brother and sisters. The girls would often joke that Katelyn's little brother and Sophia would get married one day so they could be sisters too. We are so saddened to hear that such a bright light is no longer on our earthly realm. I know Natalie has been granted her eternal life in the kingdom of heaven. At this time, I would like to offer my deepest and sincerest condolences to all who are grieving the loss of such a beautiful person. I will always smile when I think of her. She is loved and forever remembered. May peace be with you.

“ I struggle to find the words to express the sorrow and heartache of losing Natalie. I am proud to have called her my granddaughter. She was a kind and loving daughter and sister always putting her family first. To me even though we lived far apart she never forgot to make me feel loved whether it was calling me on my birthday or the kindness she showed me when my husband her grandpa died. I will miss her the rest of my days but take some comfort she is in heaven with her grandpa Kirk and all those loved ones who have passed on. - Grandma
