“ *Ralph was quite the character. I met Ralph at the old Hotel Fremont Bar, after a few drinks, he slipped a \$100 bill in my pocket and hired me to sell cars for him, which resulted in a very successful 35 year ownership of a used car business. Many Thanks to you, Ralph, for all of the memories and the time I spent with you. My condolences to the family on the loss of a great man.

“ Sending my deepest sympathy to the family and friends of Mr. Ralph Tucker. I did not know Ralph, but, I went to church with his parents Herschel and Elza Tucker, many years ago, at Macedonia Baptist Church, at Battleground, Cullman County, Alabama. I have fond memories of Herschel and Elza. They were friendly folks and I always enjoyed being around them.
