“ Missing my daddy! My heart is broken. A light has now gone out in this world. I guess I'll have to speak to you in whispers and have my words float up to you in heaven!

“ *My heart is broken. A light has now gone out in the world... to my daddy, I will always remember you as a kind man with a quirky smile. You were always there when someone needed you. I guess I will have to speak in a whisper and have my words float up to you in heaven. You are missed daddy! I love to more than I can say. Be at peace.*
