“ *I had the privilege to share the football field, classroom and Pawleys with you. I will never forget your strong leg and the season we spent together in the Georgetown heat. Thank you for loving life, living to the fullest. I pray that you are riding a ridiculous right break that never stops.*

God bless your family.

“ You are all in my thoughts and prayers. I have so many memories of Ricky, most include one or all of you. Some I shouldn't share and most make me smile or laugh. I have never seen anyone kick a ball like him in my life, make an old Datsun look so good, make surfing look like a "natural art" and a way of life, and get away with so much. He was very blessed to have such loving parents, brothers and a sister. Growing up, the house was always full and exciting. It was one of my favorite places to be and among my most fond memories. He will be truly missed but always remembered. He is a legend to many from Georgetown and will be forever in our hearts and tales of old.

Much love and many blessings,
