

Robert Neil Moss

October 10, 1930 - October 26, 2021

Robert Neil Moss, 91, of Marshville, NC, died peacefully at his home on October 26, 2021. Through the blessing of hospice, he was able to be at home surrounded by family.

Robert was born in Flint, Michigan, on October 10, 1930, the son of Homer and Josephine Gould Moss. His family moved to Stanfield, NC, and ultimately to Charlotte. Twelve days after his 17th birthday, he answered his country's call to service and enlisted in the United States Navy. There he attained the rank of Boilerman Petty Officer Third Class (BT3). Robert earned the Korean Service Medal, Navy Occupation Medal and China Service Medal before his honorable discharge on October 23, 1951. Robert continued his service in the Merchant Marines for a few years before returning to Charlotte. Robert went to work for Harvey B Hunter Dairies as a milkman, and upon delivery to one of his grocery store accounts, Colonial Stores, he met the lovely Ms. Jeanette Yarbrough. They were married on September 4, 1955, just recently celebrating their 66th anniversary. Robert then started driving truck for Overnite and Johnson Motor Lines before ultimately retiring. When not working, Robert enjoyed the time spent as a Freemason, which he was part of for over 50 years as well as a member of the Scottish Rites. He enjoyed watching old westerns, especially "Gunsmoke". He also enjoyed spending time outside, including gardening and raising his grapevines. Even at 90, he could be found mowing his yard. Most of all, Robert loved the time spent with family and friends.

Robert is survived by his wife, Jeanette; a son, Neil (wife Cindy) Moss Jr of Indian Trail, NC; a daughter Diane (husband Brian) Campbell of Rock Hill, SC; and a daughter, Penny Dabestani of Ft. Lauderdale, FL; grandchildren: Sabrina, Amber and Robby Moss; Taylor Campbell; and Bobby, Easton and Parissa Dabestani; two great grandchildren: Jacob and Olivia Campbell; and a special sister-in-law, Kathy Yarbrough, whom Robert loved and thought of more as a daughter and who has helped out the family so much during this time of need. Robert is further survived by numerous nieces, nephews, other relatives and friends. He was preceded in death by his parents; his brothers Brantley, Harvey and Ronald Moss, his sisters: Betty Jo Moore and Jane Rosenberg (born Jamie China Moss); and his youngest son, James Glen Moss, who died of leukemia at the age of 7.

Robert's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for him and for them. The family will receive friends from 11 am until noon on Friday, October 29, at the funeral home, 4715 Margaret Wallace Road, Matthews, NC 28105. At noon, all will gather in the chapel for a service commemorating the life, love and blessing of this wonderful man. Following the service, there will be a procession to Sunset Memory Gardens where graveside services with Navy Honors will be held.

In lieu of flowers, donations to the family would be greatly appreciated.

Robert's family would like to extend a gracious thank you to Dr. Chad Cheuk at the Columbia, SC, VA Medical Center for his wonderful care over the years.

“ I sit here with Mama. Your chair is empty except for the pillow that I had made with your shirts and pictures. It doesn't help though. Nothing helps. I know that my heart will never heal from losing you and my life on earth will never be the same without you here in it. I miss my Sweet Daddy so very much. There's rarely a day that goes by that I don't look at your pictures and videos and wish you were here. I love the videos where you say the funniest things and we are all laughing and happy. That's how I think of you. I don't like coming on this site and I don't come on here often. I know that you are not here and you don't need to read what I write here because you hear me when I talk to you every night before I go to sleep. I know that you are still with me and always will be but it's so hard not being able to see your face, feel my Daddy hug me and hear you call me your little girl. I started sleeping in your t-shirts after you left. I loved sleeping in them when I was young. I love sleeping in them again now. They smell like you and it comforts me. I love and miss you so much. I'm trying to take care of Mama like you asked me to. She is pitiful. She tries to be strong but she's really a mess. I'll stay with her as long as I can and come back as often as possible. I'll talk to you again tonight. I love you Daddy.

“ Well its almost been 3 months since you left us here. I can definitely say it has not gotten any easlier. I still miss you more than anything and look at the video and service almost every night although i know it ts not the best thing to do. I miss you daddy. Your laughter, your dry sonce of humour, your sweet personality and your love. I will never get over this loss. I love you and will always be your little girl.

Well Daddy, it's been a tough year for all of us without you here. The birthdays and Holidays are by far, the worst. Mama gave me the baseball you found and wanted Jacob to have it. He put it in his room on his dresser. I sit on your side of the bed at least once every time I visit mom. It's so sad but I have happy thoughts of you in heaven with your other family members that are there. I know your much better off than you were here. I still miss you and love you so much. I thank God every day for giving me you as my earthly father. I love you daddydoll and I'll always be your little girl...

“ *How do I describe the sweetest, calmest, funniest Gentleman that I've been so very blessed to call Daddy? There are few people in the World who every human and animal immediately loves, trusts and is instantly attracted to. Who's heart is so gentle, kind and loving that most would never understand or believe unless they had met him. Well that was my Daddy. I am so very thankful that God chose me to be his little girl. Daddy, I love you more than words can ever say and I will miss you until my days on earth are done. My heart is broken to pieces.*

Well we laid you to rest today. You would have been proud that we all held it together pretty good. We told a few funny stories that you would have laughed at, as we did. Although our hearts are broken and our lives will never be the same, we are so proud of your accomplishments while on this earth. We are proud to have been your children and for you to be our father. You made our family complete. We love you and miss you so very much. You are in a better place and are waiting on the rest of us to join you and Glen and all of our other family members. You are Forever in our hearts...
