“ I remember as a teenager I would spend more time with Samuel's family than my own. We went to the same church for years. Lissette and Samuel would receive everyone at their home with open arms, making sure we felt comfortable and most importantly, making sure we had a good time. The jokester, the comedian, the music enthusiast who was always singing a tune, the one who always had a smile on his face, thats the Samuel I will always remember. May you soar on forever.

“ Not many people can say that they are the best at what they do. However, Sam reached that goal when he was named Mayflower Van Lines Driver of the year in 2008. He was the BEST household goods driver that Mayflower had during this time. He was the Best of the Best.

*Sam you are the greatest and you will be truly missed. Love you my friend!*

“ *I never saw Sam without a smile on his face even when he was going through some very tough times with his illness. Our customers loved him. He made them feel so at ease when they were having stresses related to their moves. He was always putting others first. Sam will be extremely missed.*
