

Sandra Walts Grogan

July 29, 1935 - June 15, 2021

Sandra Walts Grogan "Sandie", 85, of Charlotte, NC, went peacefully to be with her loving Savior on Tuesday, June 15, 2021.

Sandra was born in Schenectady, NY, on July 29, 1935 to Harry and Gertrude Walts. She spent her school age years in the small New York villages of Andes and Middleburgh. After graduating from Middleburgh Central School, Sandra went on to Elmira College in New York, majoring in Speech and French. While in college, she was chosen to sing with "The All American Chorus". They toured and sang in 7 countries in Europe one summer. Later, she went on to become an airline stewardess, which is where she met her future husband. Over the years, she taught French and various other subjects to elementary through high school students. She also taught Adult Basic Education classes at Cleveland Community College in Shelby, NC, for a period of time.

Sandra always loved to sing, whether it was in a choir, leading worship or singing in nursing homes. Her heart's desire was to glorify God and spread His love to others. She also participated in prison ministry and even sang for the prisoners at Attica in New York.

In 2009, she moved to Charlotte to be near her daughter and older brother and their families. She is survived by her daughter, Beth Allen (husband Richard); her 3 grandsons: Anthony Allen (wife Kellee), Richard James Allen and Bryson Allen; her 4 great grandchildren: Aspen, Austin, Aaliyah and Aiden; her brothers: Richard Walts and Dale Walts (wife Carol) and nieces

and nephews. She was preceded in death by her parents and her brother, Bruce Walts.

A celebration of Sandra's life will be held at Mecklenburg Shrine Club (where Eastside Church is currently meeting because of renovations) at 5200 Mecklenburg Shrine Club Road, Charlotte, NC, 28215, on Saturday, June 19, 2021. Visitation will begin at 10 AM with service to follow at 11 AM. “ *I will miss my Aunt Sandra... She always had a smile for everyone and was quite witty at times, even as she was getting older. I remember growing up, when we were going to see my grandparents in Middleburg, I would always sleep in the room she called hers when she was growing up and she would always tell me, “find the secret passageway that leads to happiness”. There was a secret stairwell from her room down to the kitchen...lol.... I always slept in her old room when we went there. Throughout my whole life, when I was growing up, through my military years, being a police officer, and through life she would always have an encouraging word for me. Her smile was sincere and would radiate to the whole room, wherever she was. Now, are where you always wanted to go and I know your smile is warming new souls. Prayers and hugs to my cousin Beth and her whole family.*
