“ *Dear Jim.....I am a friend of Fran Houston's from New Jersey. I came to N.C. a few years ago to visit Fran, Kim and Aaron. Fran and I came to your home for a visit. You guys made me feel right at home. We had tuna sandwiches and fruit and talked about many things. I felt like I knew you and Sue for a long time. I talk to Fran several times a week and always asked how Sue was. I've had cancer twice and felt like Sue and I bonded briefly. I am very sad that she has passed, but I'm sure she's at peace in Heaven with whomever she knew and loved here on Earth. My deepest sympathy to you and your family. God bless all of you.*
Sincerely,
Mary Ann Oates

“ Jimmy - So sorry to hear about Sue's passing. Your marriage was traditional Rizzo-Cavallario (all about family). Love and supporting the next generation unconditionally.

Sue had a soft and peaceful heart like Gramma, to pass on to your kids. Hope you are well, our love and prayers are with you.

“ I am so sorry to read of Sue's passing. I last saw her in Plattsburgh, NY at breakfast during a hockey tournament years ago. I was a bridesmaid in her and Jimmy's wedding, but our lives soon traveled different paths. One constant though was being aware of her ongoing journey with her illness. I so admired her strength and attitude.

Please accept my sympathy and I wish you the best in your journey in the days and months ahead. Sincerely, Judith Tucker Mannix

“ I met Sue and Jim when we lived in the same Mobile Home Park in the 60's. Many hours we spent together watching our children play together in the Park's play area. They moved to a house on the Brown's Bridge Road and my husband and I moved to Colton. A few years later Sue and Jim became our daughter Wendy's God Parents. From there Sue and Jim moved several times and we lost track of each other. I sent cards at Christmas but after they left New York State they were returned address unknown.....I was shocked to hear of Sue's passing. God Bless you, Jim and family. I will keep all of you in my prayers. Sandy Doyle Snyder

“ I will always treasure our friendship over the years especially our weekly phone conversations where we would talk about and laugh about our grandchildren. I enjoyed sharing our life experience. “ No words rights now to express my sorrow at hearing of Sue's passing. She was such a lovely and positive lady, and her battle has been so long..... Jim, your marriage has always been one I looked up to, your mutual respect and love so obvious for all to see. I know you have lost your best friend, and I can't begin to imagine how difficult that must be, but I hope that you are able to find a measure of peace in your many memories. I know that you two will be together again in a far better place. You are in my prayers.

“ We have so many wonderful memories of Susan that I couldn't get them all in this tribute. We took trips together to see stage shows, meals at each other's home with each one better than the one before and the fun and laughter that happened when we were together was never ending. Susan had an infectious laugh that made everyone join in.

We will miss those wonderful years but most of all we miss Susan. Sue was truly an angel that walked among us.

Goodbye my friend, Loretta and Jerry

“ I remember going to Aunt Sue and Uncle Jim's as a kid, the house was always immaculate, but that never stopped Aunt Sue from digging out all of Jimmy and Kenny's old Star Wars toys for us to play with. She was always so wonderful and loving towards my siblings and I. I also remember how proud she was when all of her grandkids were born. I got to hold my new cousins Nathan and Natalie for the first time on Aunt Sue and Uncle Jim's couch. I was also so blessed to have them come to my baby shower to celebrate my son Patrick, and loved the comments she would leave on Facebook as she followed my kids pictures. I will also always remember how supportive Aunt Sue and Uncle Jim were during the loss of my mother, I will always be grateful for the love we were shown and I will always remember my Aunt as the loving and kind woman she was. My heart is with Uncle Jim, Jimmy, Kenny and all of our family and those who loved her.
