

Terry Earl Hoffman

February 13, 1942 - April 30, 2025

Terry Earl Hoffman, a beloved husband, father, grandfather, brother and proud veteran passed away peacefully on April 30, 2025, surrounded by his loving family in Matthews, NC. Born in the beautiful hills of West Virginia, Terry's outgoing personality brought laughter, love and encouragement to everyone he met.

A devoted husband to his amazing wife, Lois, they shared a loving marriage that lasted over 50 years. They had three children: Kerry and his wife Alison; Andy and his wife Casey, and Shannon who carry forward his faith, values, and endless memories of the time they spent with him. Terry was also an adored Paw Paw to six grandchildren, who describe him as "loving, sassy, passionate, funny, a personal cheerleader, caring, crazy (in a good way)", amazing with prayers, and he loved ice cream". He is also survived by his sister Pam and her husband John L.

He never met a stranger and had a unique ability to connect with everyone, often leaving a lasting impression with his engaging conversations and heartfelt laughter. He was competitive and loved sports and the outdoors and passed those passions down to his children and grandchildren. He was always up for a game of D.O.G, cornhole or golf.

He is defined by his love for his faith and his family. He shared his faith

through the way he lived his life and by telling people about the love of Jesus. He leaves behind a legacy of faith through his family and all the people he coached throughout his life.

He was a proud Army veteran who loved his country, and during his service was a member of the Army baseball team.

There is no one else quite like him. He will be deeply missed by his family, friends, and all who had the pleasure of knowing him.

A celebration of his life will be held this summer where loved ones can gather to honor his legacy.

IN LIEU OF FLOWERS, the family kindly requests that you consider making a donation to support Lois Hoffman's upcoming mission trip to Honduras in memory of Terry. You may do so using the following link:
