“ *I can still hear your mom saying love you baby at the end of a call. Sometimes the lord takes those amazing and special people from us because he has a greatwr need for them. I strongly believe we will reunite with our loved ones one day. My deepest condolences Michelle, Doug and all of the family.*

“ I met Wanda only once, but our family knew Doug well. Went I met Wanda she was such a nice person, and we hit it off immediately. I am sure many other people found her as kind and loving as I did. She touched many people and will be missed by everyone .
