“ *Wanda was my closest friend as a teenager and I have many wonderful memories of summers spent with she and her Mom. Ethel took us to the beach, taught us how to garden, to clean the pool- but most of all how to laugh and have fun. I'm very sad to hear this news of their passing, but so glad they are together to take care of each other.*

“ Wanda was an amazing person and sister. She was generous of spirit and materal possessions, if she had it and you needed it, she gave it. She was a talented artist, loved animals. The world is a better place for her life and I am a better person for having had her as a sister. I love you and miss you so much! You and Mom have fun together.
