

William "Billy" Spratt Jr

December 30, 1967 - January 29, 2018

William "Billy" L. Spratt Jr, 50, a lifelong resident of Charlotte, NC, died January 29, 2018, at the Carolinas Medical Center – University Campus.

Billy was born in Charlotte on December 30, 1967. He attended Metro Academy and had lived for a time at the Purser Group Home before being cared for full time by Ms. Bridget Smith. Billy enjoyed many things in life. Some of the more memorable things he enjoyed were dining out, going for car rides with the windows down, bowling and music. Most of all, Billy loved the time he was able to spend with others. He was truly a special and bright soul who blessed all who had the privilege of knowing him.

Billy is survived by his caretaker, Ms. Bridget Smith; and his guardian, Ms. Cynthia Benjamin. He is further survived by numerous friends at Steps Academy and D.D.R., both of which a special thank you is extended for the care and love they showed to Billy.

Private services for Billy will be held. The family of Lowe-Neddo Funeral Home has been given the privilege of caring for Billy and those who cared for him in life.

“ *I used to work at Western Carolina Center, in Morganton, NC, between 1978 to 1980 and knew Billy Spratt very well. He was about 11 or 12 at the time, and an absolute joy to be around. Everyone was in love with Billy, and Billy loved everyone. I have many wonderful memories of Billy, particularly whenever he was given a single strand of holiday tinsel from a Christmas tree (those who knew him will know what tinsel did for Billy). He could entertain himself (and YOU) for hours with it.*

Billy left such a strong impression on me (and others who knew him) that even now, 40 years later, I'm searching his name on the Internet in hopes of finding him, only to have been directed to this obituary, May Billy rest in peace. He was an wonderfully delightful kid who I am sure must have grown up to be a wonderfully delightful adult.
